

# Jassim P.A

Web Designer & Developer

I am a passionate & self taught web design professional who can present innovative and creative solutions to meet clients' online requirements. My technical knowledge and vision are key to taking the desires and ideas of a client and translating them into a website that will effectively market and grow their business.

I have significant experience of producing strategic solutions in the design and implementation of web applications and the ability to identify opportunities from problems. I am dedicated to fulfilling customer expectations, contributing to a strong team culture and providing a high quality level of work.
